At the time of sale, the above puppy/dog has been determined to be in excellent health to the best of our knowledge. All required vaccinations and deworming's have been performed which were due for the age of the puppy/dog. A health record will be given to indicate the dates of care to allow your vet to continue with any additional vaccinations/deworming's that may be necessary. We advise the Buyer, that a licensed veterinarian should examine the new puppy within a 72-hour period after receipt of the puppy/dog. If the veterinarian finds this animal to be in poor health, the puppy/dog will be returned immediately at the expense of the Buyer. A puppy/dog replacement of equal value will be offered unless other mutually agreed arrangements are decided upon. Failure to follow the recommendations of an examination within the 72 hours will void this warranty. Unless an agreed upon extension is granted.

1.) If determined by a competent licensed veterinarian and the Orthopedic Foundation for Animals (OFA) or (SV), the said puppy has a genetic defect which has developed into crippling hip dysplasia or other crippling disease, within the first eighteen months of life, the puppy should immediately be returned to us at the expense of the Buyer. We will replace the puppy as soon as possible with a puppy of equal value to the said animal at the time of the original purchase. We will reserve the right to have the x-rays sent to a certified veterinarian radiologist of our choice. Should the Buyer prefer to retain the said dog, the Buyer will forfeit any replacement unless other mutually agreed arrangements are decided upon.

- 3.) In any event that the Buyer is unable to keep the puppy/dog for any reason, the Buyer agrees to give Vom Windläufer the first right to take the puppy/dog back. In the event of a resale, the original Buyer will notify Vom Windläufer prior to any arrangement of new home and proof of the new owner's contact information. The new owner will be obligated to resume the registered name of the puppy/dog for registration purposes. It is the obligation of the Buyer to uphold this.

- 4.) Puppies/dogs need proper food and supplements to ensure their proper development. We ask that you use our choice of NuVet Plus and NuJoint Plus supplements to continue the proper immune system and health of the puppy.

We also like Sure Grow 100 for puppies' chewable tablets. This is to be accomplished for a minimum of the first 12 months of life. It should be a life-time plan. Your dog is what it eats and needs careful considerations for their wellbeing.

Buyer agrees: \_\_\_\_\_

- 5.) The puppy/dog has been given a name on the registration papers or paperwork from the litter registration to register new puppy. This name has been selected for identification of top show line dogs. The paperwork must be maintained for the integrity of the animals. This puppy is either already registered or will be registered by you to include the Vom Windläufer kennel name. This is on the American Kennel Club registration or other European registrations. We request you do not change or leave off our kennel name. Other than the legal name being used for registration; you can create a "call name" for your personal use.

- 6.) The puppy/dog is eligible to be AKC registered. The registration is "Limited" or does not include breeding rights. In order to obtain "Unlimited" status, an additional fee and agreement to have hips and elbows evaluated (With Fair being the least acceptable) as well as having a DM test done with results no less than "B" rating and temperament must be uppermost in consideration. Windläufer will take all of this into consideration for full registration.

- 7.) It has been scientifically proven that spaying or neutering before the age of 2 is detrimental to the dog's health. It can cause Cancer, ligament problems, bone deformations, and more by robbing the body of natural chemicals produced in the bone marrow and necessary for proper development. This warranty is considered void if the spaying or neutering is done prior to age 2.

It is understood that Vom Windläufer is not to be held responsible for any future temperament issues, training faults, or actions. The buyer assumes full responsibility for the dog's behavior and consequences thereof. The buyer releases Vom Windläufer, its members and employees from all responsibilities/liabilities resulting from the dogs' actions beginning from the time of possession.
